

## Mismanagement Committee Meeting, Tuesday, 10.01.2017

Attendees: Christian Harlot, Slippery Digit, Weapon of Ass Destruction, Squatty Potty, Flat & Easy

### Topic: Old Business

- Bierathlon
  - P/L – Event cost the Hash CHF 480.00
  - Lesson learned: for the regos, set a hard limit of 13 teams next year.
  - Event sold out within 2 days, pre-regos are Key to making the event work
  - After Party at SD was mostly nude
- 1000<sup>th</sup> run
  - P/L – Event cost the Hash CHF 656.87
  - No lessons learned, money spent is duly accepted by all.
- Thanksgiving Hash
  - P/L - Profit of CHF 53.00
  - Venue “American Womens Club”, poorly reviewed by all. Bad layout, small kitchen, too fancy (pictures on wall, library right there). Too expensive for what it is, not hash compatible
  - Lessons Learned: Booking for thanksgiving must be done at least 10 months in advance.
  - There are still CHF 469.00 outstanding in Payments to hashers who contributed to thanksgiving. **Flat&Easy** emailed all the people who need to get in touch with **VLV** to get paid back
  - No Discount on Food = great decision, repeat next year
- Winterfest 2017
  - **SD** is on top of it
- Sola 2017
  - Decision: How many Teams, vote outcome: 2 Teams will be organized by Hash
  - Decision on subsidy: Vote outcome: The Hash does not subsidize the actual registration of the events. Each participant will pay CHF 30.00 to partake. The Circle, snacks, beers, and beer for finishers at finishing line will all be paid for by the hash. All Hashers, regardless of SOLA participation, are able to participate in post finish circle for free.
  - **SD** will get in touch with **Saddam** over a bottle of 15 of red wine to discuss organization of teams
- Open Meeting
  - Decision: Idea will be shelved, unlikely to drum up enough interest

### Topic: Hash Cash
